

Breast Cancer Facts for Women Resources

Toxic Breasts: ½ women will be diagnosed with breast cancer this year. Since the war on cancer by President Nixon in 1970's, our country spent billions of dollars to find a cure, unfortunately no money was put towards prevention, therefore your chances of obtaining breast has increased by 50 %. I would like to give you some hard cold facts that the medical therapies just aren't working. Many of the facts that come to you are fudged my pharmaceutical companies. Also, a MD has difficulty going outside the scope of their practice, they could lose their license. Breast Cancer is the most common cause of death between 18-54.

- **FACTS:**

1. Breast cancer is the most diagnosed cancer in the United States. For men prostate cancer. Other common cancers are skin, lung, and colon. **Harvard University.*
2. Mammography – is not a great test, not really save lives. Are you aware that it takes 8-10 for a tumor to grow in order to see it on a mammogram? Lakartidnigen 96. Dr. Lee If you ask most conventional and alternative doctors they will tell you that they miss 60 % of breast cancers. This is why thermal scans can be an adjunct to a mammogram.
3. Early detection does save lives.
4. Since President Nixon our breast cancer has increased, even thought we have spent billions of money for research.
5. Toxic breasts – get toxic because we do and put things into our body that increases are chances of accumulate and initiate the cancer.
6. Radiation, chemotherapy nor tamoxifen saves lives. This POISON kills everything and has been well documented in major conventional medicine journals. *The Lancet 2000*
In fact, they all cause cancer. Why? Do we continue to use: Big Business = Big Money.
7. *Cancer will grow in an acidic body. (ph strips)*
8. *Are breast become toxic and polluted with estrogens, dioxins, heavy metals, steroids, fat, too high cortisol, high levels of stress, cadmium- smoking, alcohol, gene risk (BRAC 1), poor diet, too high in sugar.*
9. *Alternative Cures are out there, Out Smart your Cancer, Cancer & Politics, when Healing becomes a Crime.*
